003

...making excellence a habit.™

Certificate No: ENMS 623042

Registered Scope:

An Energy Management System supporting the design, manufacture, servicing, distribution and maintenance of operator controlled mechanical outdoor surface cleansing, spreading, and ploughing equipment for a range of applications from pedestrian sweepers and street washers, through to heavy duty and high speed sweepers.

The activities are powered by grid supplied electricity, grid supplied natural gas, photovoltaic generated electricity, diesel, compressed air and liquefied petroleum gas, with fuel used for transportation at the organisations' Dorking headquarters, and depots located at Livingston, Bristol, and Leeds, applied energy being used in support of installed services, systems, processes, transport, administrative functions, and related activities.

Original Registration Date: 2015-10-27

Latest Revision Date: 2019-01-15

Effective Date: 2018-10-27

Expiry Date: 2021-08-20
