

The Waste Batteries and Accumulators Regulations 2009
Part 5: Producer obligations: Industrial and Automotive batteries

Automotive batteries

As a producer of automotive batteries under the Waste Batteries and Accumulators Regulations 2009, we Johnston Sweepers are obliged to collect, free of charge and within a reasonable time, waste automotive batteries for treatment and recycling from final holders e.g. garages, scrap yards, end-of-life vehicle Authorised Treatment Facilities, Civic Amenity Sites, etc. We are required to do this in any calendar year we place new automotive batteries on the market.

If you require us to take back any automotive batteries, please contact us at your local service centre. We will agree the necessary arrangements for the collection, proper treatment and recycling of the waste automotive batteries.
